

Dear Health Care Provider:

As a member of Liberty HealthShare (LHS), I am a self-pay patient, and respectfully request whatever discounts you extend to self-pay patients.

LHS is a health care sharing ministry that facilitates the voluntary sharing of members' medical expenses based on the Biblical principle of bearing one another's burdens. Gospel Light Mennonite Church Medical Aid Plan dba Liberty HealthShare was established in 1995. LHS is not insurance, but a Christian membership-based, non-profit Ministry. Liberty HealthShare members have shared more than \$1.2 billion in medical expenses among themselves over the last four years.

Bills for medical expenses submitted to Liberty HealthShare must include diagnostic and CPT codes in order to be reviewed for eligibility, then processed, and shared. Providers may submit medical expenses directly to LHS using form HCFA 1500, UB04 to Liberty HealthShare electronically or by mail. Medical bills not submitted within 120 days of the date of service are not eligible for sharing.

Electronically: LHS/MCS Electronic Payer ID: 90753

Mail: P.O Box 36908, Canton, OH 44735

LHS also provides providers a portal, <https://provider.libertyhealthshare.org> that can be used to verify member eligibility and track the processing status of a submitted expense. As a member of Liberty HealthShare, I can also submit medical expenses directly to the ministry by providing a complete itemized bill that includes the CPT and ICD codes for services rendered.

Thank you for your assistance.

Sincerely,

Liberty HealthShare Member
